CRIMINAL COMPLAINT

I, the complainant in this case, state that the following is true to the best of my knowledge and belief.

On or about **March 15, 2025**, in the county of **Travis**, in the Western District of Texas, the defendant, **Ramon David Sanchez-Cortez**, violated Title 8, United States Code section 1326.

This criminal complaint is based upon the following facts:

On or about **March 15, 2025**, the defendant, an alien, was found in the Travis County jail, Austin, Texas, within the Western District of Texas. A deportation officer lodged a detainer after identifying the defendant and subsequent queries identified the defendant as a previously removed alien.

Investigation and records of the Immigration and Customs Enforcement establish that the defendant is an alien who was previously removed from the United States to **Honduras** on or about **October 17, 2005**, and that he unlawfully and illegally reentered the United States without having obtained permission from the Attorney General of the United States or the Secretary for Homeland Security to reapply for admission.
